Remarks: General

This amendment relates to a restriction requirement imposed in the parent application (SN 10/161,871).

The specification is being amended herein by adding a claim to the benefit of the filing date of the parent application.

In the parent application, Claims 1~14, 16 and 17 were elected. Those claims are being canceled herein, one of the non-elected claims (Claim 18) is being amended herein, and other non-elected claims are being canceled in view of the recitation of preferred embodiments in the new claims being added herein.

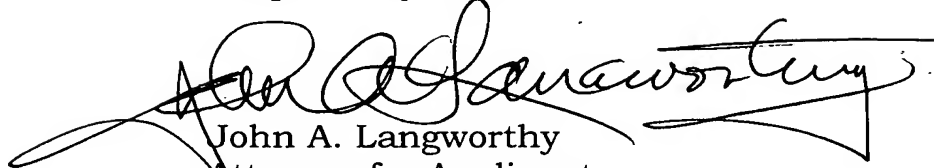

No new matter is added by the presentation of Claims 21~32 as they correspond to original Claims 2~9, 19, 2, 3 and 20, respectively. None of the amendments herein is related to patentability inasmuch as they are made solely for the purpose of presenting a set of claims that describes all of the subject matter that Applicant is entitled to and desires to have examined.

By Applicant's calculation, no fees are due by reason of this amendment to the claims. The cancellation of Claims 1~17 and 19 has been taken into account in the calculation of the fees. If, however, Applicant's calculation is in error, please charge any underpayment or credit any overpayment to Deposit Account No. 04-1928 (E.I. du Pont de Nemours and Company).

It is respectfully requested that this amendment be entered before examination of the application being filed concurrently herewith, after which Claims 18 and 20~32 will be active in the application. Applicant hereby requests examination of the application in view of this amendment to the claims.
